

The A to Z Collection DJ Services

Important Questions for Selecting Your DJ

THE A TO Z COLLECTION NOW OFFERS A LIVE ENTERTAINMENT AND DJ PACKAGE

Many times listening a DJ play pre-recorded music for 5 to 6 hours can become repetitive. For only an additional charge, we will provide **live entertainment for cocktails and dinner** by Al Snyder (*of the Corbin-Hanner Band*) on piano and vocals, and our own Glenn Z on guitar and vocals. **You select the live music style from standards, pop & rock classics or cocktail piano.**

DOES THE COST INCLUDE LIGHTING?

Most DJ's charge extra for lighting and it's often just a handful of par spotlights with a couple of "disco" effects. **The A to Z Collection utilizes the latest technology in computerized intelligent lighting effects similar to systems found in top dance clubs across the country.**

WHAT TYPES OF MUSIC WILL THE DJ PLAY?

Many DJ's selection is limited to typical wedding reception music. The A to Z Collection offers a variety of 80's, disco, R&B, dance, big band, oldies, rock, jazz, and even new country that is second to none. **Through a survey, we let you select the music for your reception.**

WHAT HAPPENS IF THE DJ BECOMES ILL?

In most agency agreements, the agency is not responsible for a DJ canceling due to illness and rarely guarantees to provide a replacement. The A to Z Collection consists of 3 professional DJ's. **Therefore, a backup DJ is always available in the event of illness.**

DOES THE COST INCLUDE AGENCY FEES?

Entertainment agencies will add over \$200 in hidden fees! Because **the A to Z Collection is independent, you are paying only for the entertainment and not excess agency fees.**

HOW LONG OF A PERFORMANCE DOES THE COST INCLUDE?

The A to Z Collection's price is \$850 for a 5-hour reception in the Pittsburgh area. Included is music during dinner and cocktail hours. This includes 2 professional DJ's, intelligent lighting, a top of the line professional sound system, and wireless microphones. Each additional hour is \$150.

WHAT WILL THE DJ WEAR?

For all wedding receptions, the A to Z Collection will perform in formal tuxedo wear.

WHAT EXPERIENCE DOES THE DJ HAVE?

The A to Z Collection has performed at every major hotel and banquet hall in the area. **Specializing in wedding receptions for 25 years ensures professional entertainment at a reasonable cost.**

WILL I EVER MEET MY DJ AND WHAT ADVANCE PLANNING DOES THE DJ PROVIDE?

Often, customers select DJ's from videotape and never have the opportunity to meet or discuss the details of the reception with the DJ directly. **The A to Z Collection will communicate with you to review each and every detail. This will ensure that the event runs smoothly with no errors.**
